Mr. Dale Wood
HealthYes! Preventive Screening
4930 South Congress Avenue
Austin, Texas 78745

Dear Mr. Wood:

Thank you for supporting the 2008 Balance Expo for Women. With 5,000 attendees, the Expo was a huge success and we appreciate your generosity and contributions. The 200+ free osteoporosis screenings helped hundreds of individuals by providing invaluable test results and, hopefully, peace of mind.

Thank you for continuously offering our community life-saving screening tests and being a part of Austin area events such as Balance Expo. On behalf of the Majic 95.5, Talk 1370, and Mix 94.7 staff, I would like to thank you and the HealthYes team for your time, knowledge, and support.

Sincerely,

A handwritten signature in cursive script that reads "Lauren Cooley".
